## The Fine Print for the 2nd Annual 2015-2016 Castle Store Hockey Pool

There is no entry fee.

All prizes are being supplied by Taiga Building Products.  Thank You to Taiga.

Each Castle  store location is limited to one entry into this contest.

Castle Head Office will get 1 entry.  Taiga Head Office will get one entry.

All 14 Taiga distribution yards will get one entry each.  Taiga management will determine how any prizes won by a Taiga yard is to be used internally if they do win one.

This is not a raffle or a draw but rather a testing of skills and knowledge with respect to NHL hockey.

I, Kelvin Johnston, Senior Buyer at Castle, am the commissioner of the Castle Taiga Hockey Pool 2015/ 2016.  Any disputes arising from said pool will be settled by a three person tribunal, comprised of Kelvin Johnston ; VP of Castle - James Jones; VP of Taiga, Dave McNeil.  All decisions of the tribunal are final.

All gift cards offered will be of our choice but will be confirmed before awarding.

Taiga will try and provide tickets to NHL teams in Canada initially.  Taiga Building Products and the pool Tribunal will make every attempt to provide a prize of equal value at an alternate location for the 2016 playoffs.  Failing that, the Tribunal reserves the right to substitute 4 regular season tickets for the 2016-2017 season.  The balance of the 1st place prize would remain intact, underline airfare for 2, hotel for 2 nights, and gift card, all for a regular season game.

For the other prizes, Taiga will provide gift cards in the amounts for each prize.

The pool will be run through the website OfficePools.com and their results will be final.

Entries must be in by October 9th, 11:55pm.  No exceptions.  Please note that entries emailed to me, or entries on the fax machine on the morning of the 10th are also accepted as long as the time stamp has them being received before 11:55pm.  There will be no exceptions to this time.

Standard Hockey pool rules with some small additions:

For forwards and defencemen  :  1 pt per assist, 1 pt per goal

For goalies: 10 pts per goal, 1 pt per assist, 2 pts per win, 1 bonus pt per shutout, 1 pt for a shootout loss

Teams : 2 pts per win, 1 pt per shootout loss, 5 bonus pts at end of season for Presidents Trophy team

There is a trade window this year.  You will be able to change your pick in 2 boxes.  The week of December 13-21 – you will be able to switch out two picks.  You will start collecting points for your new player from that date forward, not from the start of the year.

End of pool tiebreaker is the entry with more goals than assists.
